

## OHSE 003–Environment policy

Giraffe Excavations Pty Ltd is committed to managing its operations in an environmentally responsible way.

To ensure environmentally responsible behaviour is embraced as an integral part of our operations, we specifically undertake:

- Conduct operations in compliance with relevant local environmental legislation, regulations and licences;
- Prevent pollution and achieve continual improvement of environmental performance through economically viable best practice;
- Reduce energy consumption and waste produced per unit of product where economically viable;
- Communicate openly and constructively with our staff and customers;
- Regularly set and review environmental and energy objectives and targets;
- Ensure that our staff and customers are aware of this policy; and
- Educate our staff and customer, ensuring the requirement for environmental responsibility is integrated into work practices, training and decision-making and is included in performance assessment.
